## Chemical pump unit

### Portable chemical pump unit with air driven pump.

#### Technical specifications:

- Air driven chemical injection pump
- Adjustable flow. Calibration facility
- Wide range of pressure and flow settings
- Regulator for adjusting injection pressure
- ATEX approved for zone 1

Model	Flow	Pressure	Transport wheels
IPCRP1000V400001	0 - 34.37 l/h	105 bar @ 10 bar air driven pressure 1,520 PSI @ 145 PSD air driven pressure	No
IPCRP500	0 - 8.71 l/h	105 bar @ 10 bar air driven pressure 1,520 PSI @ 145 PSD air driven pressure	No
IPCRP7500	0 - 18.9 l/h	105 bar @ 10 bar air driven pressure 1,520 PSI @ 145 PSD air driven pressure	No
IPCRP750-3	0 - 18.9 l/h	105 bar @ 10 bar air driven pressure 1,520 PSI @ 145 PSD air driven pressure	Yes
IPCRP750-2	0 - 18.9 l/h	105 bar @ 10 bar air driven pressure 1,520 PSI @ 145 PSD air driven pressure	Yes
